

Office One

Engaging design and compact dimensions for Office One, the capsule coffee machine perfect for offices.

It ensures a top quality espresso, plus steam and hot water dispensing for the preparation of tea and herbal tea to satisfy all needs. The high capacity water tank and dump box make this machine different. It is user-friendly thanks to the complete display and the 5-button keypad. Office One is equipped with a plate for cups and autonomous tank; it is available with cabinet.
